Each Year the [University of Okoboji Corvette Club](#) hosts a Corvette get-together in [the Park](#) at Arnolds Park, Iowa. These links and those above are meant to give enough information for you to join us August 10, 11 and 12; 2012. The [Brochure](#) will give you pictures and schedules for the three day event along with a [Registration Form](#). If you plan to stay overnight with us and need [lodging](#), this link should help. Photos of past "Vettes in the Park" events are available. We have photos from [2008-09](#), [2010](#) and [2011](#) as well as photos of our [members](#) with their 'Vettes. We hope that you can be in the photos next year!

Proceeds from the event are given to the University of Okoboji Foundation and the Park at Arnolds Park.

We want to thank Ed Hendrickson of Okoboji for his [photo collection of vanity plates](#) taken at previous 'Vettes in the Park celebrations!

Enjoy your summer!
