

The University of Okoboji Corvette Club met this past Monday night June 1st.

We voted to move forward with our annual event 'Vettes In the Park', which will be held Friday, July 24th and Saturday, July 25th.

Because of concerns over Covid -19 issue, the event will be slightly different this year.

We are working through the details with our sponsor, Sampson's Corvette of Sanborn, Iowa.

We have talked to Arnolds Park management and have submitted our plan to the City of Arnolds Park. Our plan for the event is on the City Council's agenda for Wednesday, June 10th.

Included in the plan is a recommendation to eliminate registration and the information booth.

Sampson Corvette will have doors open at his business like in the past for Friday afternoon. We hope to have special event early that evening in the Lakes area. Saturday, will a Cruise-in and parking available on the Green Space for those who are comfortable with that. You may come and go as you please.

Please keep checking our Facebook page and website for additional updates or major changes or cancellations.
